

How to make a Robin from your Christmas scrap paper & card

You will need:

- **The Robin template**
- **Red, brown, white card or paper**
- **A black pen for the eye**
- **Pencil, scissors and glue**
- **Your imagination**

1. Find any colourful Christmas packaging and cardboard

2. Cut out the pieces of the Robin from the template and draw around the shapes on your chosen coloured card, then cut out and glue together

**3. Make your Robin a background to create a picture or decoration. It could be any shape, or you could design a beautiful birdhouse, you choose!
Here are some examples:**
