

spOTTER QUEST

Lutra Lutra now needs a hand. Some of the animals have got lost outside OTTOPIA.
Please can you help find them around The Base?

You'll find info sheets next to all the lost animals. When you find them, write down the word that describes a group of each of the animals (the collective noun) and show the Gallery Assistant to earn your spOTTER award.

PUP QUEST

Earn your stripes and become an honorary OTTER Pup, TODAY!

Your Quest starts with OTT or Not. Find the station, complete the first game, solve your first riddle and your journey will begin...

Write notes below to help remember key clues!

The Colourful Conundrum

Now you've earned your stripes and become an OTTER Pup, we have another quest for you.

Colour is bleeding into our world and we believe YOU may be able to help us. Find the 8 pieces of colour in OTTOPIA and piece together the puzzle to unlock the safe and discover where it's coming from!

Here's some space for you to write down and puzzle over what you find...

If you're still struggling with this conundrum, try answering the following question to get closer to the location of the truth.

The answer can all be found within OTTOPIA.

Can you name one of the two continents where otters aren't found?
