

## Work Experience with the Corn Exchange

Are you passionate about a future in the arts?

Are you looking for a high quality, creative and engaging work experience week?

We are opening our doors for one extra-special week in July 2026, to give twelve young people from across West Berkshire a creative, collaborative and engaging work experience week that they won't forget.

Our work experience week is open to students in **Year 10/11** who are passionate about a future in the arts and who can demonstrate current engagement with arts and cultural activities.

## When Is Work Experience Week?

**Monday 13 – Friday 17 July 2026**

**9.30am – 3.30pm** each day

## What does our Work Experience involve?

Time with **every Corn Exchange department**, including **The Base** and **101 Outdoor Arts**, to learn the integral role each department plays in the running of a receiving, community theatre.

Opportunities to engage with and participate in our live programme of shows and classes.

The chance to work on a bespoke, creative arts project to be presented on the final day to members of the Corn Exchange team as a celebration of your time with us!

## Where will students be based for the week?

Work Experience with the Corn Exchange will take place predominantly in our designated learning and participation space, the **Old Library**.

However, on one of the days, participants will be based at **The Base & 101 Outdoor Arts** National Centre for Arts in Public Space at Greenham Business Park.

## The Application Process:

To apply for **Work Experience with the Corn Exchange**, please fill out an application form by following this link:

[Work Experience Application Form - July 2026 – Fill in form](#)

The deadline for applications is 10am on Monday 2 March 2026.

If your application is successful, we will invite you to an informal interview after school **w/c 16 March 2026**.
